## If you donate as a European country tax payer

### Tax deduction system

- If you are resident in one of the European countries listed below, **you can benefit from the country's tax law, thanks to the Transnational Giving Europe (TGE)**. The TGE is a partnership of European foundations and associations, which facilitates the process of donating to a general Interest organization located in a partner country, **by ensuring it benefits from tax deductions within the country of residence.**

### How to make a donation

- **1** – Please contact your national Foundation as listed below: All information regarding your donation and the Gift Aid application form (for the UK only) will be provided by your national Foundation.
- **2** – For a better traceability of your donation, please return this donation form to ESSEC Foundation – Fondation ESSEC, 3 avenue Bernard Hirsch, CS 50105, 95021 Cergy-Pontoise Cedex, France.

In case of control, a copy of your bank transfer or a bank certificate along with the Gift Acknowledgement Letter is accepted as proof of donation.

## If you donate as another country tax payer

If you are resident in a country, which does not have a partnership with the ESSEC Foundation, three methods of payment are available to you: via online payment, via check or via a bank transfer (see on the back of the page "how to make a donation"). Unfortunately, your gift will not be entitled to tax deductions unless you are liable for French tax.
